Dear Halden:

I transmit a copy of the provisional application filing receipt showing that the subject application was filed on February 10, 1997 as Application Serial No. 60/037,869. The filing date is incorrect. It should be February 17, 1997. I have submitted a request to correct the same, a copy of which is also enclosed.

This means that if a complete application is to be filed, it must be filed on or before February 17, 1998. I have docketed this matter and will bring it up in late fall for determination as to whether such filing should be made.

I will forward the details as to the second provisional application filed as promptly as they are received.

Sincerely,

John L. Sigalos
